CHÂTEAU LA COSTE

en Provence

We are very proud to list the wines of **Château la Coste**, from Provence, France and La Coste de los Andes in Argentina. Both vineyards are Irish-owned and abide by biodynamic principles and a philosophy which places nature at the very heart of production.

The story of **Château la Coste** began in 2011, when Irishman **Paddy McKillen Snr.** Fell in love with the 350 year old estate nestled in the countryside around Aix-en-Provence, a stunning location surrounded by wild flowers and wildlife. The estate lives and breathes its organic philosophy, combining nature, wine, and art in an honest expression of the love of the land. Home to works by some of the world's most renowned artists including Tadao Ando, Louise Bourgeois and Tracey Emin, the estate is an exhibition of creativity in the fields of art and architecture.

Don't miss the opportunity to try these unique drops whilst you dine with us.
